

Hon'ble P.C. Verma, J.

Heard learned counsel for the petitioners.

The petitioners have filed this petition seeking writ of mandamus to command the respondents not to give effect to the transfer order passed in the year 1999. Admittedly, the transfer order was passed before the appointed day. After the appointed day there is no transfer order.

In view of Sec. 75 of U.P. Re-organisation Act the transfer order passed in the year 1999 cannot be stayed and the writ petition is lack of merits.

The writ petition is dismissed accordingly.
